In an effort to improve visibility and participation, the Town of East Fishkill has joined the Empire State Purchasing Group to solicit bids from vendors. This system will provide you with convenient online access to our bid information, plus over 225 other agencies throughout New York State.

It's easy to participate. Simply visit the Empire State Purchasing Group website at bidnetdirect.com/new-york, and click on the link to complete your registration. If you are already registered as a vendor on this system, you do not need to register again.

A subscription service is available that will notify you by e-mail anytime the Town of East Fishkill, or any other participation agency, issues a solicitation that matches your company's business. A free, non-notification subscription is also available, at no charge, that provides access to all bid opportunities, however with no automatic notification.

We hope you find this service useful in expanding your visibility to the broad array bid opportunities from the extensive number of agencies that are part of the Empire State Purchasing Group. We appreciate your cooperation and welcome your participation!

If you need help registering, please call BidNet's Support Department at 800-835-4603, Option 2.
