### **Town of East Fishkill Announces Public Hearing Process Regarding Industrial Moratorium**

East Fishkill, NY — The Town of East Fishkill Town Board will vote on a resolution at its regularly scheduled Town Board Meeting on Thursday, May 21, 2026, at 6:00 p.m. to set a public hearing date for Thursday, June 25, 2026, at 6:00 p.m. regarding the extension of the Town's current industrial moratorium.

The existing moratorium was enacted to allow the Town additional time to review and evaluate industrial development regulations, zoning considerations, infrastructure impacts, and long-term planning objectives affecting the community.

If the resolution is adopted on May 21st, a formal public hearing will be held at the June 25th Town Board Meeting, at which time residents, business owners, and interested parties will have the opportunity to provide public comment either in support of or opposition to the continued moratorium.

The Town Board encourages public participation and welcomes community input on this important issue.

Additional information regarding the public hearing and related materials will be made available through the Town's official website and public meeting notices following action by the Town Board.
