Stone Ridge Subdivision Water Storage Tank Repairs Update

Thank you for your continued patience and cooperation, the Storage Tank repairs have been completed. The required water quality samples have been taken and the results submitted to the Department of Health. The storage tank has been authorized to be placed back in service. Irrigation may begin based on the attached schedule which will be the same schedule as last season.

The Town Water Department will be posting signs throughout the district as a reminder of the schedule. The signs will remain posted for the next two weeks.

It is critical that you adhere to this schedule.
